Dear Parent,
Namaste!

As per the circular dated 19-02-2024, you received the details of the importance of using School authorized transport and fee details. You may have noted that the School has kept the fee structure same as 23-24.

Please note some of the important points:

1. The Transport/Bus fee for the quarter will be included in the School's quarterly Fee invoice for children who opt for the facility. The same will be visible on the school app MICM.
2. The School would charge and collect this fee for 11 months w.e.f. June 2024.
3. Unless there is a fuel hike of more than 10% from the fuel rates as on 01-June-2024, the School wouldn't modify the Transport fee during the year. The School would confirm seats on a first-cum-first-serve basis only given there are limited seats for each route. Once confirmed, the fee for the whole year transport will be charged unless there is a waiting list of students on the specific bus route.

The tables below provide the monthly bus fee and the new routes based on the current student numbers. The school will try to make it most appropriate for all routes depending on the final new admissions numbers & parents suggestions.

Dear Parent,
Namaste!

As we gear up for the next academic year, we would like to emphasize the vital importance of school transportation for our students. As partners in your child's education, we believe that ensuring their safe and efficient transportation to and from school is paramount.

There are several compelling reasons why opting for school transport can be beneficial :

1. **Safety:** Our professional drivers and trained female attendants (school-appointed Masi) prioritize the child's safety above all else. Also, buses are equipped with CCTV cameras to ensure the safety and security of children.
2. **Reliability:** We ensure punctual arrivals and departures, easing your daily schedule. You will receive a system-generated message through the GPS tracker when the school bus is approximately 200 meters away from your stop!
3. **Socialization:** Your child can bond with peers in a supervised environment. This adds greatly to the child's learning experience as he/she interacts with all age groups.
4. **Reduced Congestion & Cost effective:** Amrit Vidyalaya is environmentally conscious and we encourage our parents to use school transport, which significantly contributes to the environment. Opting for school bus services also helps save on fuel and maintenance expenses.

Routes for Transport - 2024-25

The buses will run majorly on 4 routes:

1. Godhra
2. Halol
3. Kalol Route 1
4. Kalol-Vejalpur Route 2

The schedule and stop list will be shared with you after we review your preferred stops. Kindly fill up this Google form and let us know about your preferences.

શૈક્ષણિક વર્ષ 2024-25 માટે પરિવહનની જાહેરાત

જ્યારે આપણે નવા શૈક્ષણિક વર્ષમાં પ્રવેશ કરીએ છીએ, ત્યારે હું અમારી શાળા પરિવહન સેવાઓનો ઉપયોગ કરવાના મહત્વ પર ભાર મૂકવા માટે આપ સાથે થોડી વાત કરવા માંગુ છું. તમારા બાળકના શિક્ષણમાં ભાગીદાર તરીકે, અમે માનીએ છીએ કે તેમના સુરક્ષિત અને કાર્યક્ષમ પરિવહનની ખાતરી કરવી સર્વોપરી છે.

શાળા પરિવહનની પસંદગી શા માટે ફાયદાકારક હોઈ શકે છે તેના ઘણા અનિવાર્ય કારણો છે:

1. સલામતી: અમારા વ્યાવસાયિક ડ્રાઈવરો અને પ્રશિક્ષિત મહિલા પરિચારકો (શાળા દ્વારા નિયુક્ત માસી) બાળકની સલામતીને બંધા કરતાં વધુ પ્રાધાન્ય આપે છે. ઉપરાંત, બાળકોની સલામતી અને સલામતી સુનિશ્ચિત કરવા માટે બસો સીસીટીવી કેમેરાથી સજ્જ છે.
2. વિશ્વસનીયતા: અમે તમારા દૈનિક સમયપત્રકને સરળ બનાવીને, સમયસર આગમન અને પ્રસ્થાન સુનિશ્ચિત કરીએ છીએ. જ્યારે સ્કૂલ બસ તમારા સ્ટોપથી લગભગ 200 મીટર દૂર હશે ત્યારે તમને GPS ટ્રેકર દ્વારા સિસ્ટમ-જનરેટેડ સંદેશ પ્રાપ્ત થશે!
3. સમાજકરણ: તમારું બાળક નિરીક્ષિત વાતાવરણમાં સાથીદારો સાથે આવનજાવન કરી શકે છે. આ બાળકના શીખવાના અનુભવમાં ઘણો વધારો કરે છે કારણ કે તે તમામ વય જૂથો સાથે સંપર્ક કરે છે.

Launch of Amrit Talent Search Institute (ATSI) After-School Program

Dear Parents,

We are excited to announce the launch of our new after-school program, the Amrit Talent Search Institute (ATSI), beginning on 4th October 2024. This program is designed to ensure each child is supported on academic excellence and talent development before leaving home **bagless**, free to enjoy quality time with their families.

Comprehensive Program Structure:

2:15 pm to 2:25 pm - Transition Time:

A short break to allow students to relax and refresh before beginning the focused academic sessions.

2:30 pm to 3:00 pm - Adaptive Academic Excellence

Personally designed by Subject HODs to address the individual academic needs of your child - doubt-solving, reinforcing concepts, or challenging them with higher-order thinking (HOT) questions, we aim to provide targeted academic support tailored to each student's needs.

3:00 pm to 3:45 pm - Homework and Self-Study

Students will complete their daily homework and engage in self-study under the supervision of our dedicated teachers. Our goal is to ensure that all academic tasks are completed before heading home stress-free and ready to enjoy their evening.

3:45 pm to 4:00 pm - Break and Refreshment Time: Students should carry a light snack and rest or rejuvenate before their talent session.

4:00 pm to 5:15 pm - Talent Search & Specialization

We are offering a range of specialized classes during this period, where students can choose from Art, Dance, Music, or Sports that align with their interests. This is an

opportunity for your child to explore and develop their talents in a structured and supportive environment.

We believe ATSI will greatly benefit your child's academic progress and personal development. School will truly take care of the holistic development of the child with the best available resources and programs. We encourage you to register your child for this program and be a part of this enriching journey.

How to Register:

To enroll your child in the ATSI program, please complete the registration form attached to this circular or visit our school office.

Some important notes to consider:

1. Transport: (a) No additional fee for transportation is to be paid if your child is availing of School Transport. You need to arrange transportation or sign up for school transport to head back home.
2. There are limited seats in each talent program and will be offered on a first-cum-first-serve basis.
3. The minimum period of subscription to the program is one month at INR 1,250 per month. A full month's fee will be payable for the month you join the program; there will be no pro rata adjustment of days attended.
4. The program will be operational on Mon-Fri (with occasional weekend sessions); holidays as per the School calendar for 10 months in a year, excluding May and June.

We also welcome non-Amrit students to the "Talent Search and Specialization" program only on the recommendation of a current Amrit parent. We look forward to your active participation and support in making this program successful!
