

SCHOOL CURRICULUM

The innovative curriculum for the Pre-Primary, Primary of Amrit Vidyalaya is to bring about the objective by reinforcing concepts, ideas, skills and activities at every stages not only from the teacher's point of view but for the children to understand, assimilate and comprehend what is being done in the classroom and at the school.

For High school and Higher Secondary school, **the school follows syllabus on the basis of curriculum prescribed by NCERT and the textbooks published by the textbooks published by the private publishers for few subjects.**

The main thrust of Amrit curriculum is based on innovative and creative activities in and outside the classroom. Students love the curriculum which is different and packed with exciting hands on exciting activities to do, experience and learn.
