OUR VISION

“Partner with every child to help discover the joy of learning, excel in their potential and succeed as a proud citizen of the planet”.

Amrit Vidyalaya is a leader in English medium education with its pioneering work in bringing the world's best practices, resources and opportunities to our neighbourhoods. For decades, Amrit Vidyalaya has provided the society with leaders who have a unique combination of noble hearts and able minds.

HOW DO WE ACHIEVE OUR VISION

Four fundamental principles govern our annual planning and daily pursuit of excellence:

● Child-centric education

Internationally vetted pedagogical practices, activity based learning and individual focus on every child to help them unleash their unique potential.

● Developing 21st century skills

The world is changing at a faster pace than ever before. Our edge is to prepare for the future with experience in new-age technologies, career opportunities, leadership skills and an entrepreneurial mindset to succeed.

● Inculcating a learning mindset

Every child has a unique learning style. Even more important is to inspire curiosity, love for learning and nurturing creativity.

● Professional Development

NEP 2020, SDG 2030 & Future of Work are just some examples of dynamic changes that our teams are equipped with handling ahead of time.

SCHOOL CAMPUS

- › 5-acre lush green campus
- › Full-stacked sports facilities
- › Beautiful & open designed spaces for art, craft, dance & drama
- › Well-equipped & Hybrid classrooms
- › Expansive library
- › Transportation facility with GPS Tracker
- › Modern technology labs (Robotics)
- › Wholesome canteen
- › Success Program for Middle school and High school

ACADEMIC EXCELLENCE

Preschool

We understand that the best should be offered in the earliest stages of learning & development. With this belief, we are committed to providing the highest quality education to our preschoolers by partnering with Finnish global education solutions. Finnish education is renowned worldwide for its ECEC products and innovative approaches. We are proud to follow some of the best practices from the FGES programs including the teacher training programs and assessment tools.

Grade 1 to 10

At Amrit Vidyalaya, education goes beyond textbooks. We believe in nurturing young minds through hands-on experiences, real-world applications, and a learning environment that sparks curiosity. Through innovative teaching methods, skill-based programs, and a strong foundation in character building, we make learning meaningful, engaging, and truly transformative. For higher grades, We have a well-designed success program as part of our necessary curriculum.'

Grade 11, 12 Science | Commerce

Explore our 11th and 12th-grade Science and Commerce streams, where you can delve into the wonders of nature in Science or dive into the world of business and economics in Commerce. With experienced teachers, top-notch facilities, and a friendly atmosphere, we help you excel academically.

ACADEMIC ACHIEVEMENTS

Application based Learning Exemplified

Kiaan Patel and Ansh Chaudhary, Grade 6 students represented Gujarat state at the 31st State level NCSC 23-24 and were rewarded by the District Collector.

Academic Stars Shine Bright at Amrit Vidyalaya!

We're thrilled to celebrate the outstanding achievements of our brilliant students at Amrit Vidyalaya! We gathered to felicitate these young minds for their dedication, hard work, and stellar academic performances.

YOUNG MINDS

Nursery | Jr. KG | Sr. KG

“

Children are naturally creative. It is our job to give them the freedom, materials & space to let their creativity blossom to its full potential.

- Jean van't hul

YOUNG MINDS

Primary | Upper Primary

Through play, exploration, and tailored lessons, our passionate educators instill a love for learning, while emphasizing social-emotional growth, cognitive development, and future readiness.

HEART OF LEARNING

SCIENCE LABS

Exploring Science Through Hands - On Learning

At Amrit Vidyalaya, our well-equipped Science and Math Labs are hubs of exploration, curiosity, and discovery. Designed to be accessible to all grades, from primary to secondary, these labs provide students with practical, hands-on learning experiences that complement classroom teaching. We believe that science and math are best understood when students experiment, observe, and apply concepts in real-time.

LIBRARY

A World of Knowledge

At Amrit Vidyalaya, we take pride in our extensive library, a space designed to nurture a love for reading and lifelong learning. Stocked with a diverse collection of books across various genres and subjects, our library caters to all grades, from young readers exploring picture books to senior students delving into reference materials, literature, and competitive exam resources. A dedicated weekly reading slot included in the timetable to cultivate a lifelong love for reading.

INNOVATION HUB

TINKERING LAB

Tinkering Lab at Amrit Vidyalaya serve as innovation hub, equipped with cutting-edge technology like 3D printers and robotics kits. The labs enhance STEM education, offering a practical approach to science, technology, engineering, and mathematics, potentially inspiring students towards STEM careers.

AI AND ROBOTICS

Collaboration with Luxrobo for the betterment of student

Luxrobo is a South Korean company specializing in robotics and IoT solutions. Their flagship product, MODI (Modular and Open-Source Design for Intelligence), consists of modular robotics kits that enable users to build and program various robots. With a focus on education, Luxrobo's products are designed to make robotics accessible, featuring a user-friendly programming interface for beginners.

COMPUTER LAB

Preparation for the Future:

By integrating technology into the learning process, the computer lab prepares students for future academic and professional endeavors, equipping them with the skills and knowledge needed to thrive in an increasingly digital world.

CS Soch is an online program helping primary grades children develop computation thinking skills through coding, games, stories and puzzles.

ATSI AMRIT TALENT SEARCH INSTITUTE

ACTIVITIES OFFERED:

Skill Enhancement

Beyond classrooms, our Amrit Talent Search Institute (ATSI) nurtures skills in Cricket, Soccer, Table Tennis, Basketball, Classical Dance, and Music, offering students expert training in their chosen fields. With state-of-the-art facilities, personalized mentorship, and a dynamic learning environment, we ensure that every child discovers their passion, hones their talents, and steps into the future with confidence.

Academic Enhancement -

Dedicated time for students to receive additional support and guidance in their academic pursuits. Personalised to each student as per their conceptual progress, challenge level, English language and writing skills, making children independent learners.

Soccer

Table Tennis

Cricket

Classical Dance

Basket ball

ENTREPRENEURIAL MINDSET PROGRAM

Young Founders School (Singapore) launched it's first program in India at Amrit Vidyalaya

An Initiative in line with NEP 2020

Intense and effective program curated for our 11th & 12th graders with unbounded learning and multiple exposures to help them become champions - at work and in life.

AMRIT VIDYALAYA SPARKLES AT KALA MAHAKUMBH AND KHEL MAHAKUMBH 3.0

Kala Mahakumbh

Grade 6 children sparkled at Kala Mahakumbh.

Khel Mahakumbh 3.0

U17 (Girls) Football Team won at district level and represented the district at state level.

AMRIT MARGDARSHAN, A UNIQUE CAREER FAIR

Presenting an invitation for Amrit Margdarshan to the Hon'ble Education Minister, Shri Praful Chhaganbhai Pansheriya.

Our Students have been exploring new heights every year through an exclusive initiative by the Pravaha Foundation in collaboration with IIIT Hyderabad. This program, open to only 50 highly talented students aged 10-14 years, across India, explores sustainability, climate change, STEM, and entrepreneurship. We are proud to share that Ayushi Doshi from grade 8 participated in ICT Pune 2023, while Krushnapal Solanki and Aakansha Parikh grade 8 joined Episteme 2024 at IIIT Hyderabad.

AMRIT EXCELLENCE AWARD

One student from the graduating batch of grade 12 is awarded a sum of 1,50,000/- for exemplifying Amrit values, academic excellence, holistic development and a clear potential future role model citizen of the country. We are feeling a sense of pride in sharing the names of Amrit Excellence Awardees.

SHOWCASE

“Empowering Educators with Global Best Practices”

At Amrit Vidyalaya, we believe in continuous learning and professional growth. Our teachers are receiving extensive training through the Professional Development Program by FGES (Finnish Global Education Solutions), Finland, focusing on innovative teaching methodologies.

This program equips our educators with classroom management strategies, hands-on learning techniques, and a “learning by doing” approach to create engaging and effective learning environments. It also emphasizes activity-based teaching to cater to diverse student needs while fostering communication and collaboration skills essential for 21st-century learners.

“Students Won the Best Project Award and Cash Prize of Rs. 5000/-”

Our students participated in the District Level Science Competition organised by Amrit Vidyalaya in collaboration with Lok Vigyan Kendra on 4th January 2025 and won the Best Project award for Organic and Homemade Toilet cleaner, with a cash prize of 5000/-, certificates and trophies. Motivated the young minds to keep on creating successful innovations. Our gratitude to LOK Vigyan Kendra, Godhra for their incredible support.

“Empowering Tomorrow’s Entrepreneurs”

On 20th Dec 2023, Amrit Vidyalaya was buzzing with creativity as we dived into a transformative workshop on Innovation and Entrepreneurship for grades 7 & 8 Conducted by Mr. Vivek Varshney, founder of SpeEdlabs & an alumnus of IIT Kanpur and IIM Lucknow, the session was a game-changer!

“Amrit Vidyalaya proudly continues its journey with Mastercard’s Girls4Tech Program”

We are proud that Amrit Vidyalaya has been associated with Mastercard for its different initiatives since 2019. One of those is Girls4Tech™ workshops, ensuring continuity in learning and enhancing the home learning experience during Covid. This initiative has empowered our young girls with essential skills in cryptology, fraud detection, algorithms, big data, and digital intelligence, helping them develop a strong foundation in STEM.

All our Grade 6, 7, 8, and 9 girls had the incredible opportunity to attend these workshops Led by the Women’s Leadership Network in India.
